FEEDBACK FROM JGHS STAFF - 2020/21

"We were able to purchase maths visualisers...made a huge difference to our teaching during lockdown...more interactive, less stressful...able to answer students' questions on the spot"....Maths Dept.

"We used the money to purchase the SRA reading lab - a highly recommended reading intervention programme, which we have had our eye on for some time"...Support for Learning Team.

"We purchased a subscription to The Week – Junior. With the library struggling to operate normally, we've had instant access to reading materials for pupils who would otherwise have had nothing to read".....English Department.
